M'ALLISTER GOES TO COAST TRY-OUT

Crack L. D. S. U. Sprinter Will
Try to Qualify for Olym-
pic Games.

A. D. McAllister, the crack L. D. S. U. sprinter, has decided to make the attempt to qualify for the sprints in the Olympic games in London the coming summer. Word was received yesterday from Herbert Hauser, secretary of the A. A. U., on the coast, that he would be eligible to enter, together with full details of the coast try-outs. The faculty and athletic association, together with friends of McAllister, at once got busy and decided to send the cinder path sprinter to represent the state of Utah.

The try-outs will be held on the Stanford track on May 9, and although the L. D. S. U. meets the B. Y. U. of Provo in a dual meet on this date, the athletic association of the L. D. S. U. decided to sacrifice the points McAllister would surely win in this meet, in order to give him a chance to win a place on the Olympic team. McAllister yesterday sent in his application for membership in the Pacific coast branch of the A. A. U., and his entry for the 100 and 200-meter races. The first race will be about 100 yards, and the second about 200 yards. McAllister figures that his chances at 100 yards are better than in the hundred, as he always finishes remarkably strong. He is in active training now, and will work to get in the best possible shape by the time the try-outs are held. Should he qualify, the Pacific coast association will send him to New York for the final try-outs. There he will have to earn a place on the team which will be sent to England.

There was some talk of sending Brinton to the coast with McAllister, but as Utah meets Boulder on that date, in what will probably be their hardest meet of the year, they can hardly afford to throw away the points Brinton is sure to win for the U. Again, McAllister thinks Brinton is rather young for such fast competition, and would prefer to save him for some future event.

It is just possible Coach Milne will accompany McAllister to the coast to look after his interests and see that he gets a square deal all around.

THOUSANDS SEE SAILORS FIGHT

Jim Jeffries Referees Bouts for
Championships of U.
S. Navy.

Los Angeles, April 23.—The last of the navy prize fights to be held here in connection with the stay of the American battleship fleet at the ports of Los Angeles were decided today at Chutes park, with Champion James J. Jeffries as referee. All of the sailors on shore leave were gathered about the open-air ring and much money was wagered on the three contests, which decided the featherweight, middleweight and heavyweight champions of the fleet. On the heavyweight event it is said that the crews of the New Jersey and the Missouri put up a total of \$7,500 each on the result.

Philip Schlossberg of the New Jersey won this event from Walter Altieri of the Missouri, in six rounds, the decision being based on points, as neither man was near a knockout when the final gong sounded.

In the middleweight class, Dennis Tighe of the battleship Alabama defeated Henry Trainer of the battleship Vermont, the bout going the limit of six rounds, and the decision again being based on points as computed by Referee Jeffries.

Alabama Sailors Celebrate.
In the featherweight division, Frank Rafferty, also of the Alabama, defeated Bud Frederick of the Illinois in six rounds. As a consequence of this double victory of the men of the Alabama, the sailors of that ship are making merry in lively fashion tonight.

The results in the middleweight and heavyweight bouts were a decided surprise, as both Trainer and Tighe had held the fleet championship belts for a long while, the former for seven years. Lieutenant Weaver, the fleet athletic officer, was present at the ringside during all of the bouts to see that they were carried out in strict accordance with the fleet's boxing regulations. In addition to the three thousand more sailors who were present, there were several thousand civilians in the throngs which witnessed the fights, among them being a large number of women. The local reception committee gave cash purses to the winners of the bouts.

HIGH SCHOOL BEATS PREPS.

The High school yesterday defeated the University Preps baseball team on the High school campus by a score of 18 to 1 in the interscholastic league. This is the third successive victory for the High school. The Preps lost their grip on the game in the early innings before they realized what had happened, and were not able to regain a foothold. Treseder, who pitched for the first time for the High school, proved a whirler, and his support was fine.

Springtime is Backache Time

To thousands spring is the miserable time of the year, a time of general weakness, with spells of backache, lameness, rheumatic pain, dizziness, headache and fits of "blues." You feel dull and tired all the time, and find the day's duties a heavy load. The kidneys are weakened by the long strain of winter, and for a spring tonic nothing is equal to a good kidney medicine. Body and blood are laden with an extra burden of uric acid poison. The weak kidneys fail to carry it off. Brain, nerves, muscles and vital organs all feel the effect. The congestion sets up a heavy aching in the back. Doan's Kidney Pills quickly relieve this condition, cure sick kidneys, drive out uric acid, regulate the urine and strengthen the back.

DOAN'S KIDNEY PILLS CURE SICK KIDNEYS

SALT LAKE CITY PROOF

Mrs. M. C. Dale, 459 West Eighth South St., Salt Lake City, Utah, says: "For a year or more I had constant dull pains across the small of my back and through the kidneys. Whenever I caught a slight cold or overexerted myself, these became much worse, and the result was that I was laid up every now and then for two days or perhaps a week. There was also a distressing kidney weakness present. Having heard so many favorable reports about Doan's Kidney Pills, I thought that they might relieve me and purchased a box at F. J. Hill & Co.'s drug store. Soon after beginning to use them I felt their beneficial effects, and when I had taken the contents of three boxes I was completely cured. I am confident that this cure is permanent, as I have never had any trouble of the sort since."

Benjamin Midgley, 523 South Second West St., Salt Lake City, Utah, says: "I wish to give Doan's Kidney Pills all the credit they deserve, and I only hope to others suffering as I did will be led to try this remedy through my endorsement. For three or four years I suffered from pains in my back and through my kidney regions. I tried one remedy after another without getting the least help and at times it was all that I could do to attend to my work. The kidney secretions were disordered and the passages distressing. I was finally led to procure Doan's Kidney Pills and was gratified at the prompt relief they afforded. I used in all about four boxes, and was then completely cured of my trouble. Not a sign of it has ever reappeared."

SAVED FROM AWFUL SUFFERING

G. W. L. Nesbit, living on Depot St., Marion, Ky., says: "Kidney disease had reduced me to a chronic invalid. I have suffered so severely from this complaint that for two months at a time I was unable to get out of bed, and no one can describe the suffering I endured. I often wished that death might relieve my misery. The secretions were thick, filled with a sediment, and my limbs were badly swollen. The doctor said I had dropsy and held out little hope of my recovery. I could not raise my arms above my head; in fact, there was an almost complete paralysis of the right side. I had no hope of ever getting better when a relative advised me to try Doan's Kidney Pills, and a box was procured for me. I improved from the first, and continued taking this remedy until all symptoms from which I had been a victim disappeared one by one. In three months I was able to resume my usual work. That Doan's Kidney Pills is the best kidney remedy in the world I am thoroughly convinced."

well man. I continued to take the remedy until I was back to work in the usual way. That Doan's Kidney Pills is the best kidney remedy in the world I am thoroughly convinced."

SALT LAKE CITY PROOF

Mrs. Joseph Slater, 532 West Third South St., Salt Lake City, Utah, says: "The recommendation I gave over a year ago for Doan's Kidney Pills still holds good, as my opinion of them is as high as ever. I had frequent attacks of backache accompanied by other symptoms of kidney trouble which were very annoying. A friend advised me to try Doan's Kidney Pills, and I procured a box from F. J. Hill & Co.'s drug store. It was certainly astonishing how quickly they relieved the backache and corrected the kidney difficulties. I had a spell of sickness several months ago, and upon recovering found that my kidneys were in a disordered condition. I procured Doan's Kidney Pills and they relieved me promptly as in the former instance. My husband has also tried them with the same good results."

Mrs. A. Clark, 367 W. First South St., Salt Lake City, Utah, says: "I used Doan's Kidney Pills in 1905 with the best of results. I had been annoyed by kidney trouble for a long time. The backaches were so severe that some days I could hardly get around to attend to my household duties. Any exertion caused me to become completely exhausted, and there were various other symptoms which plainly proved that my kidneys required attention. A neighbor suggested that I use Doan's Kidney Pills, and acting on this advice I procured a box. They relieved me from the start, and in a short time the backache disappeared entirely. During the time which has elapsed I have had no occasion to resort to the use of Doan's Kidney Pills or any other kidney remedy, as my cure has been a permanent one."
